

PROWERB

Company profile · Press information

Marketing. Digital. Logistics.

The company

PROWERB connects marketing, digital solutions and logistics. The family-owned company, headquartered in Kleve, supports brands from campaign development and promotional products to brand stores and delivery. Its 250 employees work across creative services and consulting, software and e-commerce, warehousing and fulfillment. PROWERB brings these services together in coordinated workflows, supporting individual projects as well as ongoing operations.

Connected services

Creative services and campaigns give a brand its presence. Promotional products and brand stores make it tangible. Software connects ordering with the organisation, while warehousing, kitting and shipping bring products to their destination. Clients can engage PROWERB for defined projects or coordinated ongoing operations.

Locations and people

PROWERB is headquartered in Kleve. The public location overview also includes Düsseldorf, Dortmund and Lüdinghausen. Its 250 employees bring together commercial, creative, technical and operational expertise.
